**Reception:** Our reception is open from 9am-5pm daily. Phone 08 8556 8600 for assistance.

**Arrival:** Check-in is after 2pm for Cabins and Ensuites and after 12pm for campsites.

**Departure:** Check-out is 10am. For late checkouts, please contact reception. A fee may apply. A key drop box is located at reception for early check-outs.

**Quiet Time:** Quiet time is from 10pm. Please respect the comfort of others staying in the park.

**Laundry:** Our laundry is open between 8:30am and 8:30pm daily. Change is available at reception for the \$1 & \$2 coin operated washing machines and dryers.

**Pet Friendly:** Our park is pet friendly. Conditions apply. Please contact management to arrange.

**Boom Gate Operation:** Tap your card on the sensor, wait for the boom gate to rise and drive through. Only one car may pass at a time. Please do not walk, cycle or go-kart through or directly behind the boom gate as this will trigger the boom gate sensor – use the pathway alongside.

**Visitors:** You are most welcome to have visitors, they just need to let us know that they are here. A fee may apply for all day visitors to the park.

**Dump Point:** Our dump point is located in the middle of the amenities block. The system has a large S bend and requires a large flush to clear.

**Fires:** Please ask reception for permission before lighting fires. No fires are permitted during fire danger season. Fires must only be lit in an above ground brazier or a communal fire pit. Fires must be supervised at all times or they will be put out. Braziers are available for hire. Fees may apply for burnt grass.

**Safety:** The safety of our guests is important to us! Please obey all rules, signage and park guidelines.

- There is a 5kph speed limit in the park (walking pace), be mindful of pedestrians and other vehicles.
- Wear a helmet whilst riding bicycles or any other wheeled vehicle/toy.
- Please keep to the main grassed areas, this will help minimise the risk of falls and snake bites.
- We have a first aid kit located in our reception.
- Smoking and Vaping is not permitted in any of the onsite buildings. Please respect the health of others and always dispose of your butts responsibly. A cleaning fee will apply.
- All park equipment is available for use at your own risk. Minors (under 18s) must be supervised at all times.
