## The *origin* of our name

BIG4 Holiday Parks started in 1979 when four independent caravan park owners in Ballarat, Victoria joined forces to create a unique holiday experience. They believed collaboration could offer more than individual parks, focussing their combined efforts on quality stays, great facilities, and excellent service. These are the same values that drive us today and have led to BIG4 becoming the number one name in holiday parks.

**about-us**

## More than just a place to stay

Over the past 45+ years, BIG4 has pushed the boundaries of what a traditional caravan park can be. Today, alongside premium camping and caravan sites, we offer cabins, glamping, and more. Our parks deliver more than accommodation—think pools, camp kitchens, fire pits, splash parks, mini-golf, and bike tracks—creating memorable holidays true to our founders' vision.

## Who runs BIG4?

BIG4 is a marketing cooperative, with all parks individually owned and operated as franchisees. Some by families, while others by corporate groups like Hampshire Holidays, Tasman Holiday Parks, Breeze Holiday Parks, and Ingenia Holidays.

## Leading the industry

As the country's leading holiday park brand, our purpose is to make Australia's backyard accessible to everyone. Offering up fantastic parks in prime locations around the nation, BIG4 provides high-quality accommodation and friendly service for our members and guests alike.

# Holiday *on a* tarp string

**Taking a holiday doesn't have to break the bank. With a little planning, a BIG4 stay can deliver great value and memorable experiences.**

Start by choosing a BIG4 Classic Park for simplicity, comfort, and affordability. These parks may not have resort-style extras but are sure to offer well-maintained amenities, camp kitchens, friendly service and a welcoming atmosphere.

Travel mid-week for lower rates and a quieter vibe and consider an unpowered site for the cheapest option—perfect if you're happy to go unplugged. You'll still enjoy access to all communal park facilities, including BBQs and showers.

Save more by cooking in the camp kitchen or on the BBQ. Some parks even feature pizza ovens and cookware, making it easy to whip up meals and meet fellow travellers.

Carpooling is another smart way to cut costs and add fun to the journey. For groups, sharing a cabin can significantly reduce costs, with some sleeping up to eight people. Plus, BIG4 parks offer plenty of free or low-cost entertainment, from playgrounds and pools to Jumping Pillows and even occasional pop-up events.

Also make sure to embrace the great outdoors. Many parks are set in stunning natural locations, giving you easy access to trails and scenic spots without extra expense. With BIG4, value and adventure go hand in hand.

## BOOKING CONDITIONS

### General

BIG4 Holiday Parks of Australia Pty Ltd does not have ownership of any BIG4 Holiday Park, and these conditions are only general. Some individual BIG4 Holiday Parks may have conditions beyond those set out below. It is essential that guests confirm prices, cancellation policies, and any other special conditions with their chosen BIG4 Holiday Park at the time of booking. Bookings must be made directly with the individual BIG4 Holiday Park at which accommodation is sought. This can be done either by phone, email, or by visiting the individual Park pages on BIG4.com.au. BIG4 Holiday Parks of Australia Pty Ltd accepts no responsibility or liability in accepting, or facilitating, any bookings. BIG4 Holiday Parks of Australia Pty Ltd also accepts no responsibility or liability in the event the below guidelines are not followed by any person (including proprietors and employees of individual BIG4 Holiday Parks).

### Deposits

Generally, BIG4 Holiday Parks request a deposit be paid prior to your stay. The deposit is often (at minimum) the cost of your first night's stay. The deposit payment is subject to the cancellation policy held by the individual BIG4 Holiday Park.

### Check-in Time

Most guests are able to check in at 2pm. Earlier times may be available upon request when booking. When booking, guests will be asked for an estimated time of arrival. Please contact the individual BIG4 Holiday Park should there be any unexpected delays.

### Check-out Time

Guests are required to check out at 10am. Later times may be available upon request.

### Cancellations - General

Beyond the cancellation terms and conditions as outlined in the BIG4 Terms & Conditions:

When making a booking with an individual BIG4 Holiday Park, the guest

acknowledges and agrees that all bookings and deposits are subject to the following cancellation policy guidelines. Any bookings through travel agents or third parties may be subject to separate policies and it is the responsibility of the guest to check these conditions. Most BIG4 Holiday Parks adhere to the following cancellation policies, but it is still recommended that guests request cancellation details from the individual BIG4 Holiday Park when booking. Due to the wide dispersal of park locations, seasonality does vary. Contact the individual BIG4 Holiday Park to confirm dates and details on their low, mid, and high seasons.

### Low-Season Cancellation Conditions

During low season, deposits will only be refunded if the individual BIG4 Holiday Park is notified of the guest's cancellation prior to 9am on the day before the scheduled arrival.

### High or Mid-Season Cancellation Conditions

Deposits for bookings made wholly or partially during high and mid seasons will only be refunded if the individual BIG4 Holiday Park is notified of the guest's cancellation at least 60 days prior to the scheduled arrival. If cancellation is provided less than the required period, the deposit may be refunded if the booked site or cabin can be resold to another guest.

### Early Departures

Generally, BIG4 Holiday Parks do not refund for bookings or holidays that have been shortened.

### Failure to Notify of Cancellation

If cancellation is not received by the individual BIG4 Holiday Park or if that guest does not arrive by 10am on the day after scheduled arrival, the booking may be cancelled without a deposit refund.

### Group Bookings and Special Offers

The mentioned conditions do not apply to group or special offer bookings. Please check with the individual BIG4 Holiday Park for specific conditions relating to these bookings.

## ADDITIONAL HOLIDAY PARK INFORMATION

### Partner Parks

BIG4 Partner Parks are quality parks that share BIG4 values without having been through the rigorous process required to operate under the BIG4 name. When you stay at a BIG4 Partner Park you can be confident of a certain standard, and you will also receive your BIG4 membership discount if booked via [BIG4.com.au](http://BIG4.com.au)

### Dog Policy

BIG4 Holiday Parks recognises that many guests enjoy travelling with their canine companions. With that in mind, BIG4 Holiday Parks now offers more flexibility with a number of dog-friendly camping, caravan, and some self-contained holiday options. The choice for allowing guests to bring dogs is optional for each individual BIG4 Holiday Park, except where legally required. Accepting dogs is at the park manager's discretion and guests will need to apply to bring their dog at the time of booking. If the guest is permitted to bring their dog, they will be bound by the individual Dogs Welcome Policy, which may incorporate date restrictions and minimum standards and requirements for dog entry. Visit [www.BIG4.com.au/pet-friendly](http://www.BIG4.com.au/pet-friendly) for more information and guidelines for guests travelling with dogs.

### Park Reception Hours

While each BIG4 Holiday Park has accessible management 24 hours a day, the reception hours vary at individual parks. At a minimum, the opening hours are from 8am to 5pm Monday to Saturday and 9am to 5pm Sunday. It is recommended that guests contact the Individual BIG4 Holiday Park if arrival or departure is expected outside of these hours.

### Key Deposits

Many BIG4 Holiday Parks have security access into amenity blocks and/or boom gate entry. Individual BIG4 Holiday Parks may require a deposit from guests for use of the security pass or key. The deposit is required at check in and the amount can vary depending on the system installed.

The deposit fee will be returned once the pass or key is returned during check out.

### Room Servicing

Accommodation is not serviced daily unless specified or arranged separately with the individual BIG4 Holiday Park. Additional charges may apply.
